A Unique & Innovative Learning Environment

Our school is a model of quality schooling in an idyllic bushland setting!

Our core values are Safety, Respect & Responsibility.

Kitchener Public School has a culture where all children are treated as individuals, all with unique talents and personalities. Our school's educators know our students view the world in unique ways and we tailor their educational opportunities with an emphasis on learning to potential, in a manner that makes the learning both enjoyable and memorable.

Healthy children and creative minds!
