

Preparing your child for Kindergarten

Parents/caregivers can do a lot to help prepare their child for Kindergarten before the big 'first day'. Below is a list of skills that will be useful for children starting Kindergarten. We recognise that not all children will have these skills as everyone develops at a different pace, so this is intended only as a guide so that starting school may be just a little easier.

Encourage your child to attempt the things mentioned below, but don't worry if your child can't do all of them. Talk to the Kindergarten teacher, and together you can support and assist your child's learning.
