

What will we do when we come to school?

You need to have a hat at school.

When the school bell goes in the morning we go to the playground but we do not go and play in the Venture playground.

When the bell goes we go to the toilet and we wash our hands.

When the bell goes we sit on the wall outside the classroom.

In class you cross your legs and listen to someone that is talking.

We eat fruitbreak after we do work in the morning. You need fruit every day.

When you hurt yourself
you need to tell the
teacher.

When the bell goes at lunch and recess we can go and play.

You cannot go outside the fence without a teacher.

If you don't have a hat
you play under the COLA
or in the sandpit.

You can play soccer on the flat field.

If you are hurt outside you have to tell a teacher who might send you to the office because you may need an icepack.

We need to keep our hands to ourselves and be kind.

The SPR is out of bounds unless you are with a teacher.

At school we do sport.
It is fun.

At school we say nice words like thank you.
