Everyone invited to Assemblies

Dear Parents and Carers,

Welcome back to another term of school that is packed full of learning and opportunities for our students to be involved in.

Children's University - I am looking forward to attending Newcastle University on Tuesday night to watch our first group of students 'graduate' from Children's University. It has been wonderful to see the students involved in different activities outside of school that helps to build them as individuals.

Swim School - All students from Year 2 to 6 are invited to be involved in the School Swimming Scheme to be held at Cessnock Pool in Weeks 3 and 4. This is an important skill for all students to develop and I strongly encourage all students to be involved. The school will cover the costs of travel by bus and entry to the pool. A permission note is sent home today—please return ASAP to assist with organisation.

Kindergarten Orientation - Our first orientation for our 2017 Kindergarten students begins next Wednesday. Again, if you know of anyone moving into the area or with a school aged child not yet attending school please ask them to contact the school. Also, if you are planning on moving at the end of the year can you please let us know as it is important for our school planning to have an idea of student enrolment numbers.

Assemblies - Our school assemblies are held every second Tuesday in the SPR, starting at 2:40. Everyone is invited to attend. The assemblies for this term will be held on 18th October, 1st November, 15th November and 29th November. Hope to see you there!

Regards,

Luke Somerville

Breakfast for 2/3/4

Next Tuesday 18th October 2/3/4 will be having breakfast at school. All food will be provided. During Term 2, we completed a "moneysmart" unit of work. As part of the unit, we had to plan and budget a breakfast for the class. As a result we are holding our breakfast next Tuesday.

As we will not get to eat until around 9.30, children may like to have something small before coming to school.
