“Proud to teach amazing kids”

Wednesday 29th May, 2019

Dear Parents and Caregivers,

Welcome to Week 5!!

This week we are starting some Fundamental Movement Skill groups. We will be focusing on balance, hop, skip and sprint. The four groups will focus on these skills for four weeks so students will get two turns at each activity whilst rotating through. This will occur on a Tuesday and Wednesday at 3pm.

Well done to all our students for representing our school at the Small Schools Carnival on Friday. It was such a wonderful day and our students competed with such great sportsmanship. Thank you also to our parents who helped in the canteen. This year the canteen was able to fundraise money to purchase some singlets for our Small School athletes to wear to Zone. Last year the funds went to the Small School sign. Thank you again, so much.

On Friday 7 June, we will begin our Zone team training where students who have qualified and wish to train for their zone events at lunch time. We will be able to give the students tips on their techniques to help improve their skills and abilities in preparation for next terms zone carnival.

Our Project Launches have begun and our students are very excited about these. We recently had Stage 3 venture to a Japanese restaurant where they were lucky enough to taste an assortment of traditional food. We have Stage 1 and Stage 2 still to attend their Project Launch which has the students very excited.

Next week we will also be implementing our Boys Group. Selected students will be working on some strategies to assist them with real life situations whilst in small groups.

Cat Boorer (Relieving Principal)

Upcoming Events:

28/5	Fundamental Movement Skill Groups begin—3pm

As a part of ensuring we are providing the best for our students our teachers are also committed to furthering their skills and knowledge. Some upcoming dates are:

31/5 Mrs Couper—LAST conference

REAL Project launch

Stage 3

Oishii Restaurant

Miss Hutt launched our REAL projects on Monday 27th May. During the morning we had to complete a code breaking activity that led us to find out where we were going for lunch. We discovered we were going to the Japanese restaurant Oishii, in the Hunter Valley. Whilst we were there we got to eat five courses. Some of the meals we tried were Sashimi Salad which I attempted to swallow, but sadly failed and got the taste of fish eggs in my mouth. This was quickly followed by Kokoree Pork, it was amazing! After that delicious meal, we had a Chicken Satay which tasted just like peanut butter, followed by tofu glazed in miso. At first I poked it and it wobbled, then I tried it and I definitely couldn't say it was the best. Our final meal was Chicken Kare, a traditional Japanese yellow curry served with vegetables and rice. This was another of the classes favourite meal. Overall, we had a great experience launching our project 'Cultures, beliefs, experiences; how does it change us?'

By Seth J—Year 5/6

Small Schools Athletics Carnival

Friday 24 May

A great day was had by all at our Small Schools Athletics Carnival last Friday.

Heart Foundation Jump Rope for Heart

We're skipping through the term!

Jump Rope for Heart is well underway and it's great to see so many children out in the playground skipping with smiles on their faces. Kitchener Public School has already raised **\$146.98**.

It's not long until our Jump Off Day on **19/6/19** so keep on practicing those tricks! And don't forget to share your online fundraising page with friends and family to raise money for a great cause! Still need to sign up online? It's easy just follow this link and enter your details.
