Hello Parents and Community,

Week 3, Term 4 and today we celebrate our Book Week with the sharing of our favourite books. I am excited to hear all about our students favourite, mine is Thelma the Unicorn. It has such a great underlying message and of course the pink glitter.

On Monday we hit 101 students at Kitchener Public School. What a wonderful milestone. Thank you all for your kind words and support that continues to filter through the community on what a wonderful school we are. This will open up many opportunities for us, to begin with we will have 5 classes rather than 4 next year. Our infants will be broken down into a Kinder, a Year 1 and a Year 2. Our Primary will remain the same for time being. I will continue to keep you updated as things progress.

In the coming weeks I will be sending home a survey for you to complete. This is to ensure we as a school are meeting your needs. Please be honest, as it will help us improve.

Jump Rope For Heart is on again with students skipping during lunch, recess and fitness. Week 5 will be our Jump Off. Students are also participating in our Fundamental Movements/Physical Literacy sessions Monday through to Thursday and we now are learning skills for Softball on a Friday.

We are hoping our end of year activities can all go ahead. The Year 6 Farewell is being organised, the Year 6 Fun Day is being organised, Presentation Day organisation is underway, dates for Kinder and Year 6 to 7 Transition have been set. We are constantly receiving a variety of COVID-19 restriction updates and I will do my best to keep you in the loop.

Don't forget to get behind Kitchener Public School on Wednesday November 11th between 6pm and 7pm, with our P&C McDonalds Drive Thru Fundraiser. Our lovely P&C are fundraising to go towards a water pump for our water tank so we can water our fields during summer.
