Hello Parents and Community Members,

What an interesting term we have had already, from chasing our friend Rosie the pig to planning special events with COVID-19 guidelines. It has been fun!

We are getting to the end point of the term with Presentation day, Captain speeches, Year 6 Farewell and transitions like no other.

Over the next few weeks you will be inundated with notes around attendance to these important events, please make sure these notes are returned to assist us in our planning.

With restrictions slowly lifting it means that there is a little bit of allowance for fundraising. Tonight we have McDonalds Drive Thru fundraiser, please make sure you drive thru between 6pm-7pm to ensure some proceeds go to our school. Tomorrow we need our Toastie notes with money returned so that your order will be ready on Friday. Year 6 we know you are at transition however if you order one you can receive yours at recess. Next week we also have our Santa photos, make sure you get the envelope and payment returned. Thank you to our P&C for not giving up on fundraising and ensuring our school forges ahead.

In the coming weeks teachers will be off class for 2021 teacher planning days. I do hope to get our 2021 class sheet out shortly as per last year. Please remember if you are aware of a planned move for next year please come and come see me so that I can take this into account for our 2021 organisation.

At this stage we won't be having a whole school Christmas celebration due to COVID-19 restrictions however if these restrictions lift I do plan to create an event quickly.

Stay safe
