The adventure of life is to learn!

Wednesday 26th February 2020

Hello Everyone, welcome to Week 5!

This week marks the end of our Kindness Project. I have loved hearing parents come & share how their children are completing activities at home to fill their buckets.

What a fantastic start to the year. On Monday our second project for the year will begin with our school visit to the Sydney Zoo. I am so excited to see the learning outcomes around this. It is not too late to get your notes in. Congratulations to our 13 students who swam at the Zone Swimming Carnival, each student did an amazing job representing both our school and the small school team. We have two students heading to Regionals for individual events and we have our senior boys relay (Preston, Lane, Sean, Jye) representing KPS. We wish these students the best of luck on Tuesday 3rd March. Mr Firth will be heading down to Lambton Pool with these students.

On Friday we have our first school disco for 2020. There will be poppers and chips for sale for \$1 each. The disco begins at 5pm and finishes at 6:15pm. I am so excited to celebrate the completion of our Kindness Project. Please remember if your child is away from school it is important that you contact the school in some way to inform us of their absence. Please also remember if your child has vomited, they do need to stay home for 24 hours.

Have a wonderful week and I am looking forward to seeing you all bright and early Monday morning!
