Hello Friends,

We have made it to week 7. What a term! Actually, what a year! There are still constant changes being made and guidelines in place. We will continue updating as it is needed and ask that you adhere to these.

School Photos should be returned either late this week or early next week. I have had a sneak peak of these and our students look delightful.

Father's Day is on Sunday. Happy Father's Day to all our male role models out there in our community, we hope you have a special day. We have plenty of goodies ready and being prepared to go home for you on Friday. Thankyou for the valuable impact you have on our students lives.

In the coming weeks I will be sending home an EOI for any parent/community member who would like to become apart of our School Forum. This team will provide feedback and knowledge for our future school plan. Please return that if you would like to be involved.

Take care and stay safe

# NEW COVID—19 GUIDELINES

Dear Parents and Caregivers,

As you may be aware there are some guidelines we need to put in place. It is important we follow these as a whole school to ensure we minimise the possibility of spreading infections.

## New Guidelines;

### Parents/Caregivers Onsite

- That parents/caregivers are not to come onsite unless it is urgent. We ask that parents phone and inform us of any thing that is needed.
- Any parent that does come onsite must ask that they complete an external visitor sheet in the front office on arrival.
- If parents/carers know in advanced that your child needs to leave early, please pre-arrange by phoning the office.
- When arriving to pickup your child early call the office once arrived and we will meet you at the front gate with your child.

### Students who are unwell

- Students who are not well are required to stay home.
- If a student is displaying cold or flu like symptoms they must be sent to the office.
- Students must be picked up by a parent/caregiver with the possibility of a COVID Test to be completed.
- On return students will need to provide us relevant medical paperwork.

## COVID-19 symptoms can include:

fever

sore throat

cough

shortness of breath.

If your child is sick, keep them at home and get them tested for COVID-19.

# Protect yourself from viruses

**Clean** your hands with soap and water, or hand sanitiser.

**Cover** your nose and mouth when you cough or sneeze.

**Avoid** close contact with anyone with cold or flu-like symptoms.

**Stay home** if you are sick.

## FOOTY COLOURS DAY

Friday 11th September  
We are having our Footy Colours Fundraising Day

*Students are asked to wear their teams favourite colours for the day.*

We are asking that students donate a gold coin donation for wearing their team colours. All monies raised will go to helping kids with cancer stay engaged with their learning while receiving life saving treatment.

### P&C Association Fundraiser

#### THOMPSON'S PIES & CAKE DRIVE

*Spare order forms are available at the Office if needed.*

**Order forms and money are due by:  
Friday 11th September.**

Pie drive delivery is Thursday 24th September  
Please collect from SPR after 10.30am.

It would be appreciated if plastic bags are provided with your order and money to pack your goodies in.
